

Survey on Québec Accommodation Establishment Occupancy

May 2025

Greetings,

Your establishment is requested to participate in the *Survey on Québec Accommodation Establishment Occupancy* conducted by the Institut de la statistique du Québec (ISQ) on behalf of the Ministère du Tourisme (MTO) and regional tourism associations. The objective of this survey is to produce statistics on the occupancy of Québec hotels and tourist accommodations with four or more rental units. The information collected is crucial to identify government actions to be taken in this industry.

Given the importance of the survey results, the participation of your establishment is **mandatory** in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011).*

To participate, you must complete the monthly online questionnaire within the first 10 business days of the month, by following the instructions provided in the email you will receive each month starting on **June 2, 2025**. The ISQ will contact the individuals who have not submitted their online questionnaire to obtain their answers by telephone.

For more information about this survey or for assistance, please get in touch with the ISQ using the contact information provided below. You will also find additional information on our website (statistique.quebec.ca) under "Surveys."

Rest assured that your answers will be kept **confidential** and will only be used for statistical purposes. This is guaranteed under the *Act respecting the Institut de la statistique du Québec*.

Thank you for your cooperation. By participating in this survey, you are contributing to the production of quality Québec statistics.

Sincerely,

Simon Bergeron
Chief Statistician
