

## ***Survey of Digital Technology Use by Businesses***

---

May 2023

Dear Sir or Madam,

Your organization is being asked to participate in the *Survey of Digital Technology Use by Businesses* conducted by the Institut de la statistique du Québec (Statistique Québec) on behalf of the Ministère de l'Économie, de l'Innovation et de l'Énergie (MEIE). The objective of the survey is to gather information on the digital transformation of businesses located in Québec. The information collected will enable the government to develop and adapt its policies and programs targeted at Québec businesses.

Given the importance of the survey results, your participation is **mandatory** in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011).\*

To participate in the survey, you are required to fill out the attached questionnaire within two weeks, **but do not mail it back to us**. After the two-week deadline, Statistique Québec will contact you by telephone to collect your answers.

If you would like more information about the survey or if you require assistance, please get in touch with us. You will also find useful information on our website ([statistique.quebec.ca](http://statistique.quebec.ca)) under "Surveys".

You can take part in the survey with the knowledge that the information you provide will remain confidential and will only be used for statistical purposes. This is guaranteed under the Act respecting the Institut de la statistique du Québec.

Thank you for your cooperation. By participating in this survey, you are contributing to the production of quality Québec statistics.

Simon Bergeron  
Chief Statistician

\* Under this Act, any person receiving a request for information to which a reply is mandatory must provide the information requested by the prescribed deadline and in the prescribed format.
