

Study on the Language of E-commerce Tools Used by Businesses

About the study

The *Study on the Language of E-commerce Tools Used by Businesses* aims to provide a picture of the languages used by businesses located in Québec when selling their products and services online and providing information to their customers. This study is being conducted at the request of the Office québécois de la langue française.

Mandatory participation

Your business has been selected to participate in this study. Given the importance of the study results, your business's participation is mandatory in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011).

Confidentiality

The information must be sent to the Institut de la statistique du Québec (Statistique Québec) as requested in this questionnaire. Statistique Québec guarantees that the data provided by your business as part of this study will be kept confidential.

For quality and training purposes, telephone conversations with Statistique Québec agents are recorded. Any person who does not want their conversation to be recorded can notify the agent at the beginning of the call.

Assistance

If you require assistance, please contact the Direction de la gestion de la collecte by telephone at 1-800-561-0213 or by e-mail at collecte_internet@stat.gouv.qc.ca.

Instructions

- ▶ Do not mail or fax the questionnaire back to us. To participate in the study, you must complete the online questionnaire as soon as possible, by following the instructions in the letter or e-mail you received.
- ▶ If you do not have the exact information for certain sections of the questionnaire, please provide the best possible estimate.
- ▶ To answer all the questions, you may have to consult others working at your business.

Definitions

The definitions below refer to the terms in the questionnaire marked with an asterisk (*).
