

Study on Fees Charged by Architecture and Engineering Firms in Québec

November 2024

Greetings,

Your firm is being asked to participate in the *Study on Fees Charged by Architecture and Engineering Firms in Québec* conducted by the Institut de la statistique du Québec (ISQ) on behalf of the Secrétariat du Conseil du trésor. The objective of this study is to collect data on the fees charged for architecture and engineering services related to construction work in Québec. The information collected will be used to produce hourly rate ranges that are representative of what is charged on the market for architecture and engineering work.

Given the importance of the study results, the participation of your firm is **mandatory** in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011).*

To participate in the study, you must complete the online questionnaire within the next **two weeks** by following the instructions in the email you received.

Please contact the ISQ if you would like to know more about this study or need assistance. You will also find additional information on our website statistique.quebec.ca.

Rest assured that your answers will be kept **confidential** and will only be used for statistical purposes, as guaranteed by the *Act respecting the Institut de la statistique du Québec*.

Thank you for your cooperation. By participating in this study, you are helping us produce high-quality Québec statistics.

Sincerely,

Simon Bergeron
Chief Statistician

* Under this Act, anyone asked to provide the Institut de la statistique du Québec with information deemed mandatory must do so within the prescribed timeframe and in the prescribed format.
