

Statistical Survey on the Modernization of Occupational Health and Safety Laws in Québec 2025, Establishment Component

October 2025

Your establishment is being asked to participate in the *Statistical Survey on the Modernization of Occupational Health and Safety Laws in Québec 2025, Establishment Component* conducted by the Institut de la statistique du Québec (ISQ) on behalf of the Commission des normes, de l'équité, de la santé et de la sécurité du travail (CNESST).

The survey aims to learn about the realities of the workplace following the adoption of the *Act to modernize the occupational health and safety system (AMOHSS)* on September 30, 2021.

Given the importance of the survey results, the participation of your establishment is **mandatory** in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011).ⁱ

To participate in the survey, you must complete the online questionnaire within the **next two weeks** by following the instructions in the email you received.

For more information about the survey or assistance, please contact us. You will also find additional information on our website (statistique.quebec.ca) under "Surveys".

Rest assured that your answers will be kept **confidential** and will only be used for statistical purposes. This is guaranteed under the *Act respecting the Institut de la statistique du Québec*.

Thank you for your cooperation. By participating in this survey, you are helping us produce high-quality Québec statistics.

Sincerely,

Marc Sirois
Chief Statistician

ⁱ Under this Act, anyone asked to provide the Institut de la statistique du Québec with information deemed mandatory must do so within the prescribed timeframe and in the prescribed format.
