Greetings,

Your business is requested to participate in the *Annual Survey on Contract Drilling (Except Oil and Gas) – 2024* conducted by the Institut de la statistique du Québec (ISQ) on behalf of the Ministère des Ressources naturelles et des Forêts (MRNF). The objective of the survey is to provide an accurate picture of mining activity in Québec so that the government can adopt the most appropriate measures for this industry.

Given the importance of the survey results, the participation of your organization is **mandatory** in accordance with the *Act respecting the Institut de la statistique du Québec* (CQLR, chapter I-13.011).*

To participate, you must go to the web address indicated in the box at the top of this letter, enter your identifier and complete the online questionnaire. If necessary, you can exit the questionnaire and return to finish it at a more convenient time. The questionnaire must be completed by **June 9, 2025**.

If you would like more information about this survey or require assistance, please contact us. You will also find additional information on our website (statistique.quebec.ca) under "Surveys".

Under the delegation agreement for the Programme des statistiques minières du Québec signed with the MRNF, the information you provide will be shared with them. It will also be shared with Statistics Canada and Natural Resources Canada. Rest assured that your information will only be used for statistical purposes, as guaranteed by the *Act respecting the Institut de la statistique du Québec*.

Thank you in advance for your cooperation. By participating in this survey, you are contributing to the production of quality Québec statistics.

Simon Bergeron
Chief Statistician

* Under this Act, any person receiving a request for information from the Institut de la Statistique du Québec to which a reply is mandatory must provide the information requested by the prescribed deadline and in the prescribed format.
